

## **Guest Player & Roster Information**

Clubs who are combining teams within their club to field a team, for example two U15 teams combining their players to play U16. If doing this, please keep in mind that the combined group of players must play under one of the team's rosters.

Players not carded to the specific team registered for the tournament, even if they are registered to the same club, are still considered guest players for the event. The maximum number of guest players allowed is three (3) for U9-U11 age groups, four (4) for U12-U18 age groups, whether those guest players are from within that team's club or from outside that team's club. To determine whether a player is on the roster of the team they are playing for, look at the official pre-printed roster.

If a player is listed either as primary or secondary in the status column, they are considered rostered to that team for our purposes. If not, they are considered a guest player. Guest players from inside or outside your own club must have a Guest Player Form, completed and signed by the Registrar from the guest player's club. Please also hand-write their details at the bottom of your official roster, if they are not listed on the roster as a guest.

Acceptable Rosters are:

Official FYSA State Generated Rosters

Official US Youth Soccer Rosters

US Club Soccer Rosters

National Governing Bodies – eg. AYSO, USSSA Rosters

Please note that rosters used during your league games (i.e. FLUGSA, SFU, etc.) will not be accepted Registration
